

It Only Happens In the Movies, Holly Bourne

Audrey is over romance since her parents' split – to the extent that she decides to analyse tired old romance clichés in her media coursework. But can Harry, amateur zombie film-maker and colleague in the local posh cinema, change her mind?

This Is Not a Love Story, Keren David

Kitty moves from London to Amsterdam, happy to take the chance to make an Instagram-perfect life. There she meets two very different boys and finds that life is complex wherever you are...
