We Are All Made of Molecules, Susin Nielsen

Stewart is geeky, gifted and different. Ashley is popular and cool – and does not appreciate her Mum moving her in with a new family, or having Stewart as a new step-brother.

Highly Illogical Behaviour, John Corey Whaley

Solomon has agoraphobia. Lisa has college ambitions and decides to write an essay about him (but not to tell him this, just to befriend him). They both have a lot to learn ...
